President of Pakistan

It is heartening to know that Academy of Family Physician is organizing the 35th Annual International Conference on Family Medicine "FAMILYCON-2025" at Lahore from 13-16 November, 2025 at PC Hotel, Lahore in which a large number of renowned family physicians from all over Pakistan and abroad will participate to share their knowledge and experience.

Healthcare system has now assumed new dimensions in the modern era and "Family Medicine" is the specialty of the future. Family Physicians play a pivotal role in the health delivery system of a country as they have a much closer and direct access to the general public.

.Academy of Family Physicians Pakistan is striving to raise the Standards of family physicians and being the largest organization of physicians must feel proud on organizing regular CME meetings for the last 35 years so that the family physicians can keep pace with the rapidly changing trends of patient care. Through this Conference, they will have a chance to share their experiences and exchange fresh ideas. I hope the deliberation of this Conference will result in better plans for development of the field of Family Medicine in Pakistan.

I congratulate Dr. Tariq Mahmood Mian, Chairman, Organizing Committee "FAMILYCON 2024" and his team for their efforts to collect the galaxy of doctors under their umbrella for academic and social activities and offer on behalf of Pakistan Government and myself best wishes for the overwhelming success of "FAMILYCON-2025".

Message From
